

# BECAUSE I am a GiRL

## Speakers' Bureau

The *Because I am a Girl* campaign is working to make the situations of girls around the world better by getting governments and communities interested and involved in girls' rights.

**Girls:** Your life stories are powerful ways to connect with audiences, break down divisions and reach other girls in Canada, getting them interested and involved too.

**Why Take Part?** As part of the Girls' Speakers Bureau, you will be involved in an international effort to change the lives of girls around the world. You will receive training in public speaking and use that training to speak at events and in schools with Plan across Canada! By being part of the Girls' Speaker's Bureau, you'll become a spokesperson about girls' issues.

**Why there's an application:** We want to ensure your commitment and let you know our commitment to you!
